CONVICTS STILL IN FLIGHT

GAS TAX BILL IS FINALLY ADOPTED

MEASURE TO INCREASE TAX PASSES HOUSE

Last Action Taken on Breed's Gasoline Tax Increase in State Assembly

NOW GOES TO GOVERNOR

Measure Will Become a Law As Soon As Governor Has Affixed Signature

(By Universal Service)

SACRAMENTO, April 22.—The Breed bill increasing the tax on gasoline from two cents to three cents a gallon, passed the assembly today by the vote of 42 to 34. The bill now goes to the governor for his signature.

The increase of one cent per gallon is to be used exclusively to provide funds for building new California highways, according to the terms of the bill. It can be used for no other purpose than new construction.

The bill came up in the afternoon and after an amendment offered by Assemblyman H. E. Dillinger was defeated, a roll call was taken showing 39 for the bill, 26 against. A call of the House was issued to bring in the absent members and at 6:15 the final vote was taken.

Some votes were changed on the last roll call so that there were only 34 cast in opposition. This is the final act upon the measure and it will become a law as soon as Governor Richardson has affixed his signature.

Mrs. W. V. Keltz Is Elected President of Grant P. T. A.

A special feature of the meeting of the Grant P. T. A. held yesterday afternoon at the school and presided over by Mrs. C. F. Tuttle, president, was a grab bag, in which were a large number of fine packages that could be obtained for 15 cents a grab.

Mrs. W. V. Keltz was elected president and Mrs. Goldard, treasurer of the association for the ensuing term. The vice-president and secretary were elected at the last meeting. Mrs. Tuttle, who is now the past president, was presented with the past president's pin, which is a beautiful emblem of gold, engraved with an oak tree, which is the emblem of the California Congress of Parents and Teachers.

The Grant P. T. A. has completed the hemming of 48 streamers which will be used for the May pole on the first of May. All children of the elementary schools of Richmond will participate in this event under the charge of Mrs. Hesbol, supervisors of children's play. Grant, Lincoln, and Washington schools will have May poles and this occasion.

At the meeting yesterday reports on various activities concerning Richmond associations were made and voted very satisfactory. A report of the Federated Parent Teacher association's scholarship benefit theatre party given in Richmond theatre on Monday and Tuesday evening was made by Mrs. George Ellis. Mrs. Goldard gave a report of the Second District convention held in Oakland last week.

At the close of the session those present enjoyed tea served by Mrs. E. K. Auffha and Mrs. R. N. Fahrenholtz.

MRS. MATTIE CHANDLER AND WILLIAM L. LANE, present members of the Richmond city council and candidates for re-election, who were endorsed by the labor unions last night.

At a largely attended meeting of the Central Labor Council held last evening at the Labor Temple at Fourth and Macdonald, at which delegates were present from all of the labor unions outside of the building trades, the matter of endorsing candidates for the city council was taken up and discussed.

By a unanimous vote of those present endorsements were made of the candidacy of councilman W. L. Lane and councilwoman Mattie A. Chandler.

George Grafton, president of the labor council occupied the presiding chair at the meeting, and Jules Saraceni was secretary.

HEALTH SURVEY CONTINUES HERE

The pre-school health survey continues through until April 29, at the Richmond Health center at 235 Ninth street. The response to invitations sent out by the kindergarten teachers to parents of children who will enter school in August of children, who have not been in attendance at kindergarten are also welcome to take advantage of this survey.

Dr. Deiminger-Keser was the examining physician on Tuesday. Dr. Hall Vestal served yesterday and Dr. W. E. Cunningham will be in attendance on Thursday morning.

The Richmond school department feels that the greatest factor in overcoming retardation in school during the past few years has been largely due to the growing tendency to give attention to the physical condition and development of the pupils. There is yet much to do but parents seem more and more ready to respond to calls relative to health.

The following clinics are conducted in the Health Center and are at the services of children in the City of Richmond: Dental, eye, pediatric, skin, children and general medicine. Grant parents will bring their parents today and on the 24th.

Labor Council To Hear Address

The meeting of the Central Labor Council on Wednesday, May 6, will be addressed by Joshua Dale, well-known organizer of the American Federation of Labor in California, and in view of the fact that he is reported to be a most successful organizer on the coast his appearance here is awaited with interest.

When he was here last looking over the field, Dale declared it was his intention to give his support in strengthening the present locals and if possible organize new ones among a number of trades.

AIR CONGRESS HERE JUNE 6-7

Elaborate preparations are being completed by the Richmond Chamber of Commerce for the great air congress to be held on the municipal airfield here during the two-day dedication celebration, Saturday and Sunday, June 6 and 7. From responses to invitations that have been sent out it is indicated that at least 100 planes will be in Richmond at that time.

A force of ten men, with three tractors, a harrow, a plow and a steam roller, are now at work on the 75-acre field just north of San Pablo, putting it in excellent condition for an air demonstration, as a starting and landing point.

A small portion of the field was completed sometime ago, and has been in use, and the present work is to place the entire field in condition, making it one of the best and largest on the coast. The grass has been turned under and the whole 75-acre field has been plowed and harrowed and now the last finishing touches are being done by the roller, making the field smooth and hard as a paved highway.

Those who saw the field a few weeks ago, when it was an open pastureland, and who see it now after the improvement made upon it by the Chamber of Commerce, marvel at the rapidity with which the work has been done, and the excellence of it.

Richmond will have one of the big celebrations of its history when the big air congress gathers here on June 6 and 7.

CULT 'BISHOP' GETS 90 DAYS AND \$500 FINE

Wilbert Leroy Cosper, Convicted Of Violating State Medical Act, Is Sentenced

APPEALS ON \$1,000 BAIL

Women Crowd Into Court As Complaining Witness Tells of Accused's Visits

MARTINEZ, April 22. (Special to Record-Herald).—“Bishop” Wilbert Le Roy Cosper, former head of the bankrupt Christian Philosophic Union of Oakland, who last week was found guilty of violating the State medical practice act by a jury in the Superior Court of Judge H. V. Alvarado here, was today sentenced to three months in the county jail with a fine of \$500.

Thomas B. Johnson, attorney for the defence, at once filed notice of appeal and Cosper was released on \$1,000 bond.

Cosper's arrest followed a “clinic” held by him and his followers at the bedside of Mrs. Mary Dietrich in Richmond on August 28, one day before the birth of her child.

Court is crowded. A large number of women were in court today when Cosper was sentenced by Judge Alvarado and considerable interest has been manifested in the trial, which has been marked throughout with sensational testimony.

Mrs. Dietrich, the chief complaining witness against Cosper, claimed that Cosper, together with twelve of his “disciples” came to her room at 5 o'clock in the morning on the day preceding the birth of her child and there held religious rites and delivered lectures, so that he was conducting a clinic.

They remained in her room, she declared, until 2 a. m. of the following morning, dancing and singing. She declared she had believed Cosper to be a licensed physician and not as a “divine healer.”

ORDERED FROM HOUSE

Although witnesses called by the defense attempted to show that no weird rites or unseemly conduct occurred the bedside session, which they declared one of the “silent prayers,” the prosecution, through Mrs.

Anniversary of Shakespeare and St. George's Day Observed Today

To the man or woman of English birth or English descent, no matter in what part of the world it may be “his” destiny to belong as a citizen or resident, April 23rd will always be one of the red-letter days of the calendar. It commemorates two of England's most notable names, Saint George and William Shakespeare. Shakespeare was born and also died on Saint George's day.

The Richmond Sons and Daughters of St. George have been invited to attend church services at St. Edmund's church, Tenth street and Barrett avenue, on Sunday evening next, in observation of St. George's Day. They are to meet at 7:20 p. m. outside the church and go in a body, and any one of British birth or descent is cordially invited to attend the service. There will be a special music program.

With regard to Saint George's day it is recorded that the great soldier and martyr was chosen the tutelary saint of England under the first Norman kings, and as long ago as 1222 the council at Oxford commanded his feast to be observed as a holiday, and under his name and ensign King Edward the third instituted the most noble order of knighthood in Europe. Says an old writer: “The extraordinary devotion of all Christendom to the saint is authentic proof how glorious his triumph and name have always been in the church.”

Saint George's day was observed with pageants and festivals of more or less imposing character in many places through the succeeding centuries, and as late as the beginning of the nineteenth century people of

Richmond Estate Valued at \$8,000

In connection with the petition for letters of administration, a purported will of Tam, dated November 20, 1920, was filed.

The Richmond Chamber of Commerce

Here is an editorial that was not intended as one. It was written by John Opman, local dealer in hardware, paints, oils, and household goods, to H. A. Johnston, president of the Richmond Chamber of Commerce, as a private letter, but was considered so a propos and to the point that it was passed on to us and we are using it as an editorial.

Read it:

I must say that the last gathering of the Chamber of Commerce has entirely changed my views as regards the Richmond Chamber of Commerce. I feel like apologizing to the men and women who have put it over.

But as you know Richmond has had several Chambers of Commerce, and although I did not take any active part in them. I did watch their doings. To me they seemed to lack the right spirit, although I might have been wrong, and even I might have been partly to blame for not taking an active part and doing my share. But anyhow, although I am not from Missouri, I felt like one—I had to be shown.

The gathering the other night did show me that there is now a “Chamber of Commerce of Richmond”, and I feel that I would not be doing my duty if I did not now put my shoulder to the wheel and work for better and greater Richmond. I do not have to tell you that I have had faith in Richmond. My city and county taxes last year came pretty close to \$300. One surely would not invest in a place if one did not believe in its future.

I am enclosing application for membership, and also check for a year's dues.

Yours very truly,

DESPERADOES BREAK CORDON AT SACRAMENTO

Pursuit of Escaped San Quentin Convicts and Murderers Is Shifted

TERROR GRIPS WIDE AREA

Countryside Frightened When Killers Elude Army of Pursuers at Capital

(By Universal Service)
SACRAMENTO, April 22. (For Tan-ko and Floyd Hall, escaped murderers from San Quentin, again eluding the vigilance of scores of officers in and around Sacramento, were reported seen near Loomis, 24 miles from here this evening.)

A new hunt was started immediately in that section. Word of the bandits' escape watching all avenues out of this city came from George Petterof of Loomis, who at 6 o'clock telephoned Captain Zollman, head of the operations against the slayers, that he had just sighted two men he was positive were the wanted men.

The two, Petterof said, were walking along the Southern Pacific right of way toward Auburn and came from the brush and stood very close to the track onto the rails for an instant. Seeing him, they dodged back into the brush.

One, Petterof said, had an overcoat and both had the gray caps ascribed to the convicts in every description of them so far. He declared himself certain, from descriptions and pictures he had seen, that the two he saw were the convicts.

Zollman immediately dispatched an automobile crammed with Sacramento policemen to the scene. Telegrams were sent to the sheriff at Auburn and the constable at Loomis informing them of the new clue, and urging immediate action. Warning also was flashed along the Southern Pacific line to Auburn.

To have reached the point where Petterof sighted them, the bandits must have covered twenty-four miles almost since yesterday. Zollman declared, adding that he was positive that they had not left the city on any train or by automobile.

Petterof said that one of the two men appeared to him as absolutely exhausted and able to work only with difficulty.

Zollman indicated his belief that the eleven-day search and pursuit for the bandits was drawing to a close.

Demolay Order To Give Dance Here on Friday, May 15

Everything is in readiness for the big dance to be given by Richmond chapter, Order of De Molay on the evening of Friday, May 15, according to announcement made by D. J. McWilliams, chairman of the committee on arrangements, at a meeting of the organization held in Richmond hall last night.

Winters hall has been taken over for the occasion, and the well-known Mansfield Collegians of Alameda have been secured to furnish the music, which in itself is enough to insure the success of any affair. Tickets for the dance are now on sale at Martin's Grill. The committee has made very elaborate preparations to see that the banner crowd that is expected is given a good time.

Master Councilor D. K. Armstrong presided over the meeting last night at which plans were taken up for a track team to participate in the Associated De Molay track meet at the California oval in the early part of June.

Arrangements have been made to attend the initiation service of Alpha lodge, F. and A. M. on May 12 and perform the initiatory ceremonies.

**\$4,000,000
During 1925
for enlargements of present system**

FOUR MILLIONS during 1925 for new mains, increased distribution-service facilities and continued construction on the upper San Leandro project.

Not content to merely keep abreast of present requirements, the East Bay Water Company is again looking ahead and making ready for the future needs which will arise as a result of the present rate of growth in East Bay cities.

The continuation of this growth is definitely dependent upon continuous and adequate water service. Knowing this, the East Bay Water Company is increasing the capacity of its mains and distributing system in sections where expert judgement shows greater capacity will be needed.

Ensuing advertisements will tell of the major projects that comprise the enlargement program for 1925.

To be prepared—to be ready when need arises, has long been the policy of this company. Since 1915 there have been innumerable enlargements, replacements and general improvements such as would insure this end.

So long as the responsibility of providing an adequate water supply rests upon this company, it will continue to make such plans as are necessary to fully meet this responsibility.

PIEDMONT WINS TRACK MEET AT RICHMOND HIGH

In spite of the fact that they have not had a great deal of practice this season the track and field athletes of the Richmond High school gave the Piedmont team a close fight on the local high school field yesterday afternoon. Although the local team was defeated 51 to 44 they put up a stiff battle, and made the Piedmont men know they had been in a track meet.

The athletes had to contend with a bitter wind that swept across the field. Although it aided the runners on the shorter distances, it impeded them a great deal on the longer runs. This, however, had nothing to do with Richmond's defeat. It was attributed entirely to lack of practice.

The events were:
100 yards, time 10:2. Points Piedmont 8, Richmond 1.
Bell, P. 1st; Weeks, P. 2nd; Church, R. 3rd.

MARION DAVIES in JANICE MEREDITH

Janice Meredith At The California

Every now and then comes along a motion picture that contains so much of ability and beauty and lavish expenditure that every one that pretends to know anything at all about the films must see it as a matter of duty, if nothing else. Even more seldom comes a film combining all these qualities, which possesses also the rare attributes of beauty and charm and romantic flavor that make it the pleasurable necessity of every one to see it. Such a picture is Cosmopolitan's "Janice Meredith," starring Marion Davies, which came to the California theatre yesterday for two days.

It is one of those things that every one must see for the sheer delight of it, and that every one also must see to know anything at all about achievement in motion picture making. Miss Davies outshines even herself in this film. "Janice Meredith" was adapted from Paul Leicester Ford's novel by Lillie Hayward. It is directed by E. Mason Hopper. The settings were by Joseph Urban. It is a Metro-fielding release.

Other features on the same program include "Inside Out," a Cameo comedy; "International News"; Larry Canelo at the organ.

Arthur Brisbane In Richmond Film

Arthur Brisbane, famous editorial writer, essays the role of a motion picture actor in "The Great White Way," the Cosmopolitan Corporation's big new surprise photoplay which is on view at the Richmond theatre.

Mr. Brisbane appears in the scenes which graphically bring to the screen for the first time the busy interior of a metropolitan newspaper plant. In addition to the noted editor, many other well-known newspaper writers and artists appear in the new picture. They include Irvin S. Cobb, H. C. Witwer, Damon Runyon, "Bugs" Baer, Hal Coffman, George McManus, Winsor McCay, Nell Brinkley, Harry Hersfield and J. W. McMurk.

"The Great White Way," a picturization of H. C. Witwer's popular story, "Cain and Mable," is an accurately drawn picture of life in the city.

Three Tribes of Indians Coming Monday With Al G. Barnes Circus

For those who love stories of the Indians, and the strange and perilous adventures of white men in dealing with the forest tribes, a remarkable spectacle of life in the Virginia woodlands three centuries ago, brilliantly portrayed by a gigantic staff of living actors, including three tribes of Indians, will be seen at Richmond, Monday, April 27, when the Al G. Barnes circus, wild animal circus in the world comes to town.

The Al G. Barnes circus, which grows larger and more gorgeous each year, has provided for lovers of magnificent pageants this season the American classic historic feature "Pocahontas at the Court of Queen Anne," the extravaganza that opens the big program in which 2000 wild educated animals from every clime under the sun is represented in daring and thrilling acts.

Indians from the famous "Painted Desert" of Arizona, the curious-curved plains of Nevada and the wild, rolling hills of New Mexico, are included in the "Pocahontas" feature. There will also be one hundred bathing beauties from the "Sunkist" shores of Southern California, all of whom have been trained extensively for their parts in some of the best motion pictures, dramatic, dancing and singing studios on the West Coast.

The celebrated "Secret Snake Dance" created by Hopi Indians, and in which wild animals will be seen. The savages, crazed by the beating of tom-toms, actually wind squirming, deadly rattle-snakes and thrust the heads of the poisonous reptiles in their mouths during the weird ceremony.

You will also see the Giant Gorilla Man, Joe Martin, himself. And last, but not least, you'll see Lotus, 5-ton, largest and only blood-sweating hisopopotamus in the world, with "the show that's different"—gorgeously bigger every year.

KIWANIS CLUB HEARS TALK ON CHILD HYGIENE

At the Kiwanis club luncheon yesterday, Hall W. Sanders, president, gave a fine talk on the work and aim of the Kiwanis club to aid the young children who, if given a little help might later become generous and forceful citizens. Sanders stated that the physically frail are being given attention by Kiwanis International and he cited several instances of genius rescued from obscurity.

Some humorous anecdotes were gotten off by Clare D. Horner who recently gave a talk before the Kiwanis of Modesto on the subject of Sanders' address. The high school principal's convention held in Santa Barbara recently was spoken of by E. C. Shalenger.

The community singing was led by Pryce Roberts, who also gave vocal selections. A Johnnie was rendered by Maurice Church with Emil Esala at the piano. J. A. Long was chairman of the day and A. C. Lang will fill that position next week.

ANNIVERSARY

(Continued from Page 1)

fashion in England were accustomed to wear coats of cloth of blue being the national color, in honor of the national saint.

According to Fosbrooke's Dictionary of Antiquities, "the riding of the George" was one of the principal solemnities of the city of Leicester. The inhabitants were bound to attend the mayor for the riding of the George or for all other things to the pleasure of the mayor and worship of the town. St. George's horse, harnessed, used to stand at the end of St. George's chapel, in St. Martin's church, Leicester.

Saint George's day at the court of St. James is what is known as a "grand" day when collars and other insignia are worn, and is observed accordingly by the knights of the different orders. But Saint George is something more than the patron saint of England. He was the patron saint of Christendom and was so regarded in the time of the Crusaders in the great struggle between the Cross and the Crescent.

In this connection it is interesting to note that the Order of the Garter which is so closely associated with the Order of Saint George, was founded for the uniting not only of the native knights of England, in which he was alleged to have obtained money from members of the Philo-sophic Union for his own personal use.

CULT BISHOP

Continued from Page 1

Mrs. Henning, sister-in-law of Mrs. Dietrich, brought out the fact that Cosper had been ordered from the house by Otto Dietrich, husband of the "patient" when he could no longer endure the conduct of the "healer" and his followers.

The present trial of Cosper followed several sessions of the bankruptcy court in Oakland, in which he was alleged to have obtained money from members of the Philo-sophic Union for his own personal use.

BUSINESS CLUB ARRANGES MEET FOR CANDIDATES

J. P. Stron and John I. Collins, two of the six candidates for the city council election to be held on May 11, have notified Mrs. Elizabeth Campbell, secretary of the Business and Professional Women's club, that they will be present at the open meeting of the club in the Lincoln school auditorium next Tuesday evening, April 28, and give an outline of their views on city affairs.

The other four candidates, Mrs. Mattie Chandler, W. L. Lang and W. W. Scott, present members, and Charles F. Peck, have already accepted the invitation of the Business and Professional Women, so that now all of the candidates have given assurance that they will be at the meeting and make short addresses.

The Business and Professional Women's club is non-political and non-sectarian body, but is deeply interested in civic affairs and improvements. For this reason they have arranged for this special meeting in order to bring the candidates and the public together and to give each candidate an opportunity to express his attitude.

Each candidate will be limited to one short speech and will not be allowed to take the floor a second time. Between the talks an entertaining musical program will be given. The public is invited and no charge of any kind will be made. Lincoln auditorium, Tuesday evening, April 28.

Surf-Board Rides at Neptune Beach Will Open Sunday

Surf-board riding behind racing speedboats will be one of the attractions announced for next Sunday at Greater Neptune Beach, Alameda. The 2,000 foot recreation pier at the beach will serve as the grandstand for the thousands who may watch this thrilling sport. The motor boats will tow behind them in the whirling spray both mermen and mermen. Prizes will be awarded the aquatic riders who maintain longest an upright position on the boards, the beach managers state.

Following the surf board events the fast boats will be turned over to the public. Last Sunday, despite the wind and choppy sea, scores of visitors to Neptune Beach, went out for the never-to-be-forgotten spins on the bay.

The regular Sunday program of entertainment will be provided on shore. This will include band music, vaudeville and dancing afternoon and evening. All rides and concessions will be in continuous operation.

The "Swan Flyer" Europe's newest ride, will arrive at the Alameda park early next week and should be installed by May 3, the park engineers claim. This new ride will be erected on the site of the well-known Whip at the beach, which will be discontinued. The "Swan Flyer" is described as several big revolving swans in which the joy riders sit. Neptune Beach will be the home of the first ride of this kind imported into the United States, it is claimed.

Saturday, May 2, is announced as "Aunt Dolly's Chronicle Kiddle Day" at Neptune Beach. Fifty of Aunt Dolly's children will participate in a colorful pageant on that day. Aunt Dolly and hundreds of boys and girls are going to spend the entire day at the beach. They will take along their bathing suits and bring their bats and balls.

The Alameda County Championship high school swimming meet will also be held at Neptune Beach on May 2. Most of the teams of the various county high schools are now doing strenuous training in the big Neptune pools preparatory to the event.

Wash Your Kidneys
By Drinking Water

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To help neutralize these irritating acids; to help cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.

C. OF C. BOARD MAKES APPEAL ON FERRY RATE

At a meeting of the directors of the Richmond Chamber of Commerce yesterday resolutions were adopted asking the State Railroad commission to consider the Southern Pacific's automobile ferry system on the bay as a unit and also asking that any reduction favoring the Oakland ferry should provide for a proportionate reduction in the Richmond-San Francisco ferry fare. The purpose of this is to prevent smaller traffic lines from suffering from a disproportionate rate.

Secretary Guy Wolf reported progress in new membership. H. A. Johnston, president, announced that the hotel company, having charge of the financial campaign for the community hotel, was getting organized with the object of soon starting the actual raising of the funds for the construction work.
